BARBARESSO

GREECE

A LITTLE TASTE OF GREECE MADE WITH THE SMOOTHEST AND RICHEST ANISEED OIL

APPEARANCE = Crystal clear – water like in appearance.

AROMA = Pleasant anise and liquorice aroma with traces of cinnamon, cardamom and coriander. With a clean, mellow spirit aroma, where the spirit is not too assertive.

PALATE = The taste of Barbaresso Ouzo is one of pleasant anise and liquorice. There are underlying notes of cinnamon and cardamom, that finishes smooth and mellow due to the influence of a wonderfully pure, white spirit. The spirit does not dominate the palate with excess heat or “burning” like other Ouzo’s, due to a lesser quality spirit addition.

Barbaresso is a wonderful example of a high quality, traditional Ouzo that is admired universally.
